

This Industry's Got Talent 2019 ACT GUIDELINES

Welcome to This Industry's Got Talent (TIGT) 2019! The show will be held on the evening of Wednesday, July 31, 2019 at the Irvine Barclay Theater. We will have technical and dress rehearsals on July 29 and 30, respectively. If you are considering an act, please take into consideration the following:

- Acts are accepted on a first-come, first-served basis [with preference to managers, Homeowner Leaders (HOA Board Members) and TIGT sponsors].
- Acts must include at least one participating CAI member.
- Act submissions must include an audition video OR an in-person audition pre-arranged through the TIGT Committee. Acts need not be "performance-ready" at the time of audition, but demonstration of the ability to perform the proposed act, and an understanding of the technical needs of the act are required.
- **Acts MUST be appropriate for audiences of all ages and be appropriate for an audience of your professional peers. Your audience will be colleagues and other professionals, so please prepare an act that is appropriate and avoid content that may be perceived as offensive.**
- Acts must be submitted, and auditions completed, by May 20th, 2019, in order to be considered for the show. The audition submitted must be the number being considered for the show.
- Acts are limited to 5 minutes unless otherwise requested and approved by the TIGT Committee.
- Group numbers may be available for this performance. If you would like to be included in a group vocal or dance number, please let a member of the TIGT Committee know.
- The participants must be available to perform on July 31, 2019 at the UCI Barclay Theater in Irvine and must be available for at least one of the two tech/dress rehearsals on the evenings of July 29th and 30th, 2019.
- Approved performers must provide a photo of the full act and short (50 words or less) bio/description of act for social media posting by June 20th.
