MENTORSHIP PROGRAM

Now that you are officially part of the Business Partner Mentorship Program, we would like to give you detailed information on completing the program activities in the next six months.

PROGRAM ACTIVITIES

- **Paired with an industry veteran (mentor) for tips and best practices.** Your mentor will contact you at least once a month to answer questions, provide valuable insight, coordinate attending an event, etc. You are more than welcome to contact your mentor directly if you have specific questions.
- **Attend a one-hour informational course.** The one-hour informational course will be presented via Zoom.
- **Attend a CAI-OC Committee meeting.** As part of the mentorship program, we would like you to attend a CAI-OC Chapter committee meeting, but you are not required to join a committee. Please [CLICK HERE](#) for a listing of all Chapter's committees to review and see what interests you.

- **Attend a one-hour ethics course.** The one-hour ethics course will be presented via Zoom.
- **Author or co-write an article in the OC View.** This is an excellent opportunity to promote yourself and your company, but the article MUST be educational and not an advertisement. Not everyone is comfortable writing an article, so several Publications Committee members are available to assist you. [CLICK HERE](#) for the OC View style guidelines. Your mentor will be able to assist in getting you started.
- **Attend one educational and one social event.** [CLICK HERE](#) to view our event calendar. This is an excellent opportunity to meet with your mentor by attending the same events.

The program aims to support, inspire, educate, and guide you to better understand and succeed in our industry. Whether it is to garner and retain business, grow and develop skills, or become an industry leader, we know that the Mentorship Program will lead to your success.
